

# Agile Combat Support for the 21st Century

## Global Engagement Air Force Core Competencies

- *Air and Space Superiority*
- *Global Attack*
- *Rapid Global Mobility*
- *Precision Engagement*
- *Information Superiority*
- *Agile Combat Support*

*Agile Combat Support underpins Global Engagement and provides the foundation for the other Air Force Core Competencies.*

*It includes the processes with which the Air Force creates, sustains, and protects all Air and Space capabilities.*

**Joint Vision 2010  
Operational  
Concepts**

***Dominant Maneuver  
Precision Engagement  
Focused Logistics  
Full Dimensional Protection***
